 Extra Reach: 22"

Berlon's **Roll Out Bucket** is the perfect solution for a job that requires extra dump height and/or extra reach. Attached to the strong sub frame are two hydraulic cylinders that power this heavy duty bucket. The **Roll Out Bucket** is available in widths of 72" and 78" and comes standard with a MPUF-1. The versatility of this bucket makes it a great investment for anyone dumping into trucks, dumpsters, bins, feed mixers or any other container needing extra reach. The Berlon **Roll Out Bucket** provides an economical way to load into tall items.

Suggested List Price Pg 942-943

# ***Roll Out Bucket***

Standard Bucket

*With a standard bucket, the skidloader cannot reach over the side of a dump truck.*

Roll Out Bucket

*With the **Roll Out Bucket**, the skidloader reaches and dumps easily over the side of a dump truck.*
