

Sidewalk Cutting Edge

Part # CESW

Features

- 1/4" x 18" x 48" bolt on plate with 3/4" x 6" x 48" cutting edge
- Quick, bolt up design
- Fits almost any Berlon Bucket
- Used for cleaning any 4 foot sidewalk
- Quicker and easier than shoveling!

Berlon has added another option for their buckets making a Berlon Bucket one of the most versatile buckets out there! With this **Sidewalk Cutting Edge** option, you are able to use a full size machine and bucket to remove snow from a 4' sidewalk, at the same time clearing both sides of the sidewalk without damaging grass, etc. Note the clearance from the ground to the bucket cutting edge.
