

# Spill Guard

Part # SPL

**THIS WILL AID IN KEEPING YOUR MACHINE'S QUICK-TACH CLEAN!**

***This Unit Fits:***  
B, BEL, UT & Master Tool  
Berlon Buckets

**ONE SIZE FITS ALL**

Berlon's **Spill Guard** adds more capacity to the Low Pro, Extended Lip, Utility buckets and the Master Tool, while still allowing the operator to see the cutting edge. Built from  $\frac{1}{4}$ " steel, the **Spill Guard** will protect the front part of the machine. Four bolts hold this see-through guard on to most Berlon Bucket widths from 54" to 84".

Suggested List Price Pg 952
