

# Utility Extension

Part # UEX

**INVENTORY ONE  
UTILITY EXTENSION  
TO FIT MOST  
BERLON BUCKETS!!**

Unique telescopic design cuts down on inventory. Just stock one extension and you can double your bucket inventory.

**Adjustable for any bucket size!**

Convert any Berlon Low Pro and Extended Lip bucket into a high backed utility bucket in minutes with only 2 bolts. Easy on, easy off features make it viable for special situations. The unique telescopic design cuts your inventory costs by allowing each **Utility Extension** to fit most Berlon Buckets widths from 54" to 84".

Suggested List Price Pg 953
